TO : ... (CC all)
SUBJECT : Invitation to our event!

```

Dear guests,

We are delighted to invite you to a special thank-you evening, organized exclusively for the members of our team as well as the various teams, which will take place on June 9, 2023 from 6 p.m. in a bar located at the Cité de la Mode et du Design, 34 Quai d'Austerlitz, 75013 Paris.

It's the perfect opportunity to celebrate our achievements, strengthen ties and spend quality time together outside of work. On the evening program we will have music, games, delicious snacks and refreshments. This is your chance to test out CSGO 2 or just relax and enjoy the company of all the teams!

The complete program of the event will soon be available on our website. We sincerely hope to count you among us for this memorable evening. It is thanks to your contribution and your dedication that we have achieved great things, and we would like to celebrate these successes together.

We would like you to confirm your presence by June 7, 2023 via this form <https://www.eventatvalve.com> so that we can organize the event accordingly.

We look forward to meeting you at this event.

Kind Regards,
Nathaniel Blue, Business Development & Event at Valve

Well done!
